Rev. Gary Renison and family will be leaving Bar Hill this summer. If any one would like to make a financial contribution to a leaving gift please contact Anne Tanner on Tel: 01954 200957 or put a contribution in an envelope marked "The Renisons" (Conservative) Councillors on both occasions failed to mention that it was a Conservative government in 1994 that changed the law regarding the provision of sites for Travellers by Local Authorities, it was the same Conservative government that advised Travellers to purchase their own land - sowing the seeds of many of the problems we face today. A little more facts by our Councillors rather than prejudice would not go amiss. As to the appalling financial management that has resulted in the 100% District Council rates increase and subsequent capping by the government, might we at some stage expect an apology and some humility?

RENUKA SRI LANKA TSUNAMI DISASTER FUND

I have had a wonderful, generous and enthusiastic response from the people of Bar Hill, Lolworth, Madingley and Dry Drayton. Mrs Diana Birley organised a fundraising fashion show through Weekenders; Mrs Sue Kenchington organised a Circle Dance and a coffee morning at Knit and Natter; the Happy Hours had a special coffee morning too. The United Reform Church of Whittlesford gave a very generous donation and the Bar Hill Church was most helpful. Willingham surgery, friends and colleagues in Cambridge and the UK, and many people I did not know responded tremendously - A VERY BIG THANK YOU TO YOU ALL - the fund now stands at just over £5,500.00, which is going to be available to help Tsunami orphans/children directly.

By the time you read this I will already be in Sri Lanka putting the money to good use. The situation is still very sad with most people still in makeshift camps. The children/orphans/widows still have no proper government help and I know the money raised will make a difference. I would like to convey my thanks to you the readers, the people mentioned above and to the office staff at the Health Centre who accepted and

extraction.

Dear Sirs,
Allegations raised in Steve Sweeney's letter in the May Bar Hill News deserve to be answered, his equating of the current problem in South Cambridgeshire with the fact that a quarter of a million gypsies were murdered at Auschwitz being particularly invidious. A short history lesson might be useful. Roman gypsies are descended from migrants from India who reached Europe about 1000 AD. Perceived as a threat to ordered society, they have been periodically persecuted since then, their nomadism and willingness to undertake seasonal work having saved them from extinction. Irish travellers, on the other hand, have a different identity; first recorded in the fifth century AD, they began to travel in England in the wake of the Irish famine in the 1850s. They were recognised as a distinct ethnic group five years ago. Scottish and Welsh travellers are not so recognised, or English travellers not of Roman extraction.

Yours Sincerely
Pat Ryan

Dear Editor,
In the last two District Councillors reports in the BHN, (April & May), our District Councillors have harangued us about Travellers and even managed 10% of applications nationally have been approved. A hundred and one authorities have no provision for travellers within their boundaries. Others approve only of sites next to motorways, runways and rubbish tips where it would not be possible to locate a housing development. Provision of sites has therefore remained static while demand has increased. South Cambridgeshire is not among these. It has, instead, a record second to none, as Mr Sweeney will see if he reads the statistics in the District Councillors' Report in May's Bar Hill News. This fact, however, has led to a 'honeypot' situation, and the problem lies with some travellers having developed sites without regard to planning laws. The absence of national guidance has meant that the District Council has had to abide by the law as it stands. This long and expensive process leading to the travellers' eviction from illegal sites has been complicated by the Human Rights legislation which, in the absence of clear criteria laid down by the Government, has often led to conflicting judgements.

Bar Hill Health Centre
Renuka Ramasinghe

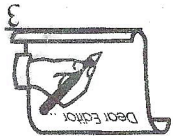

and how the money was spent. I will be in touch on my return to let everyone know how my time in Sri Lanka went of 1994. Although councils were relieved of the responsibility to provide sites, travellers were advised to buy or lease land instead. Many authorities, however, because of local opposition or statutory planning laws (no residential development in green belts, for example), constantly refuse planning consent so that only about only about 10% of applications nationally have been approved. A hundred and one authorities have no provision for travellers within their boundaries. Others approve only of sites next to motorways, runways and rubbish tips where it would not be possible to locate a housing development. Provision of sites has therefore remained static while demand has increased.

Mr Sweeney is also in error to raise the question of the Criminal Justice Act of 1994. Although councils were relieved of the responsibility to provide sites, travellers were advised to buy or lease land instead. Many authorities, however, because of local opposition or statutory planning laws (no residential development in green belts, for example), constantly refuse planning consent so that only about only about 10% of applications nationally have been approved. A hundred and one authorities have no provision for travellers within their boundaries. Others approve only of sites next to motorways, runways and rubbish tips where it would not be possible to locate a housing development. Provision of sites has therefore remained static while demand has increased.

It is fallacious for him to imply that Councillors have failed in their duty in getting to know the travelling community. Some have sought to do this almost to breaking point, trying, on one hand, to confer with travellers about the issues involved and, on the other, placating angry villagers fed up with some of their anti-social antics. We are all equal, Mr Sweeney, under the law. Would you if your neighbour, were he from an ethnic minority or not, disregarded a refusal of planning consent and built a block of flats in his back garden, expect the Council to look the other way? I doubt it.

Yours sincerely,
Cllr. Roger Hall

Dear Editor,

Like I've said before, I'm proud of my village ... but when is the Parish Council going to do something about the that wooden monstrosity at the entrance to the village? I'm talking about the the ex-barber-shop, the ex-hotel-staff-training-centre, that old wooden shack at the entrance to the village.

In the early 1990s, when I was on the Parish council, it was being discussed, and here we are in 2005 and the eyesore is still standing ... why?

I know a local man wanted to start it as a barber shop again. Was he not allowed to and if not why not? At least it could have been done up and in use.

I think it should be torn down and grassed over a.s.a.p. So come on somebody, do something about it—now!

To The Editor, Bar Hill News

Dear Sir,

Bar Hill 2010

We are most grateful to everyone that has made their views known on our proposals for a possible development to the west of Bar Hill.

The feedback that we have received to-date seems to fall into two distinct categories – those who agree that some development could be beneficial, particularly in terms of providing affordable housing, larger family homes

and the much-needed sports pitches; and those who are firmly opposed to any further development (several of whom made their views pretty clear at the recent Parish Council meeting!).

And where people do see the potential benefit, there is a strong feeling that any development should at least not add to the current traffic problems, particularly at the entrance to the village, and that the affordable housing should be for local people.

In terms of the traffic, although we are confident that there is sufficient capacity within the existing road infrastructure (subject, possibly, to some improvement works), we are currently investigating whether there might be opportunity to create a link through the new development onto the local distributor road that has been proposed by the Highways Agency as part of the A14 improvement works. This would effectively create a second access to the village.

In addition, as part of the development we are proposing to put forward a Green Travel Plan. The type of measures that we are thinking about include, for example, a six month free bus pass for every new occupier to encourage bus usage; new cycleways and places to park and store cycles; and a new "Homeworking Support Centre" to assist and encourage people to work from home. We also want to work with the Parish Council and the key traffic generators to try to extend the principles of this across the whole of the village. Our hope is that, in this way, we could achieve not only a "no net increase" in traffic but hopefully a significant reduction.

In terms of the affordable housing, we should like to make it clear that we very much see this as being for those currently living in the village who cannot afford to buy or rent a place of their own. We believe that the large number of local people in need of some help with either the purchase or rent of a place of their own, coupled with the minimal existing provision, justifies such an approach. We are currently discussing matters such as the occupancy conditions and the likely levels of discount with a local Housing Association and hope to be able to provide fuller details on these matters over the coming months.

We should also like to reassure people that, as with any new development, the

capacity of local services (schools, health services, etc) will need to be fully assessed before any development is allowed to go ahead and any improvements found to be needed as a result of the development carried out, possibly at the developer's expense.

Elsewhere, a number of interesting suggestions have been put forward, including, for example, new pubs/restaurants overlooking the new cricket pitch, a pelican crossing to the skateboard park and a bowling green. We are currently looking into the practicality and viability of these suggestions and will, again, keep residents informed of how this proceeds.

Over the coming months, as well as the consultations with the Highways Authorities and the Housing Association, we are hoping to gain additional feedback from local groups and individuals through further discussions and meetings, including hopefully with representatives of Bar Hill's teenagers and younger generation.

We are also considering holding some form of public exhibition in the village so that residents can come along to inspect our plans and discuss any issues with members of the project team. We will circulate details once these are finalised.

In the meantime, if anyone has any further comments or suggestions, we would very much welcome any further feedback.

District Councillors' Report

Freedom of Information Act

So far this year, the Council has received 32 requests under the Freedom of Information. All of these have been answered within the 20-day limit, the average being 6.5 days. The nominal cost of these is presently being absorbed by departmental budgets, a Department of Constitutional Affairs promise of financial assistance not yet having materialised.

'Best Value Performance Indicators' (BVPIs)

Like all District Councils, South Cambridgeshire District Council must monitor a range of national indicators, BVPIs. In 2003-04, the Council was a 'top' performer in the following:

- Minimising Household Waste
- Recycling Household Waste
- Composting Household Waste
- Reducing the number of 'non-decent' homes
- Accuracy of benefit calculations
- Benefit claimants satisfied
- Standard land searches as part of the planning process done on time

Tesco - quarterly meeting

At a recent meeting with the manager, Mr Guy Schwabe, the following points were discussed:

Bar Hill Post Office.

Mr Schwabe confirmed that the closure of 'More' was not the result of an imminent rent increase. Numbers 10 and 11 The Mall would be divided into two units after their departure, the Cambridge Building Society having received planning consent to locate into the latter. There was no prospective tenant for number 10 - that containing the post office. No other units were interested in sub-letting to the post office, and the policy of Tesco was not to locate post offices on their premises.

Tesco extension.

This was proceeding on schedule to open at the beginning of August. A partial opening would take place shortly.

Trolleys.

Although all trolleys would be refurbished so as to grip the floor on the ascent to the mezzanine, coin-in-the-slot devices would not be introduced into them. We continued to express our disappointment.

Magnetic Ring.

There were still gaps in the magnetic ring surrounding the Tesco car park

through which trolleys were continually being taken. A check on this ring would be conducted shortly and any gaps repaired. Unfortunately, only the intervention of Tesco staff is able to stop trolleys being lifted over it.

Vandalism.

Since evenings began to lengthen, vandalism and anti-social behaviour had ceased to be a problem. Also, the appointment of the village's Community Police Support Officer, who regularly conferred with Mr Schwabe and his staff, was having a deterrent effect.

BAR HILL POST OFFICE

The Post Office in MORE's, the newsagent, will be closing on 31st July 2005 as will MORE. The newsagent have chosen to close their business in Bar Hill and as they employ the Post Office within their shop it will need to be re-located in Bar Hill. You will see within the BHN an advert from Post Office Ltd for the position of Postmaster, once this post has been filled and a new site found in Bar Hill then it will take a couple of months while the new site is refurbished with all that is required to kit out a new Post Office, please phone 0845 6016260 for more information about this. Unfortunately, there has been very little notice of the closure and for this reason there will be the delay in opening the new Post Office but please be re-assured there will be one in Bar Hill, we feel it is absolutely essential to the village community. Further information will be in the next Bar Hill News with details of nearby Post Offices.

Bar Hill Sports And Social Club

My name is Andy Griffin (Boyce). I joined the social club committee in April and have been given the delightful job of doing the monthly report on what is happening at the club! Not a lot as it happens. We are still waiting for a date for the refurb. of the village hall. The refurb. committee has been looking at companies with regards to decor and furnishing act. When it is all completed! There is not anything booked in the way of entertainment. This has been difficult because of the uncertain start dates to building plans. We will be arranging games and quiz nights when we move to the portacabin. No live music is allowed during this time. Keep an eye on the notice board for what events are on. The other thing that we are going to need your support on is that the courts have said the portacabin has to be vacated by 11:30pm, so there will only be 10 mins drinking up time! This includes staff! The committee will be backing the staff on this so would appreciate co-operation on this! That's it for this month.

Andy.

Think of the fun you had when you were at Brownies or Guides – please give something back to the girls of today. It is only with extra help that we will be able to continue to provide exciting activities and opportunities for them. You will be amazed at what you can get out of helping with a unit – new friendships, personal guiding opportunities, and the chance to learn new skills. Don't automatically think that it's not for you.

Even if you cannot commit yourself to each week, we would still like to hear from you.

We went on our summer term District outing to Shepreth Wildlife Park in May and we will be off to a County Event at Duxford (Duxford CED) in July which will include opportunities for the older girls to drive a tank! Other activities will include Limbo Dancing, friendship bracelets, Ready Steady Cook, Tent peg races and circus skills. The event is to celebrate 95 years of Guiding.

Bar Hill Guides

Bar Hill Guides have been on an overnight camp, giving those who have never camped before a taster. We had a great time even though it was raining off and on for most of the weekend. The activities included a wide game where they were in teams and had to make a uniform, a flag and a ballista from canes, string and elastic bands; we then had a competition to see which ballista could catapult a tennis ball the furthest. This was great fun. In a few weeks time the guides will be trying their hands at Kayaking. Guides have increased in numbers slightly and in September Claire Lloyd and Pippa Hall will jointly be running the unit when Wendy Arrowsmith leaves the unit to concentrate on her role as Division Commissioner for Great Ouse. If you were a brownie who has left in the last year or so, we will be contacting you!! Guides is about what you want to do – we will help and guide you but if you have ideas we will try to help you make them a reality!

Jumble Sale – Saturday 11 June

1st Bar Hill Rainbows will be having a Jumble Sale on Saturday 11 June in the Octagon from 2-4pm. Donations of jumble are greatly appreciated – this can be dropped off from 9.30am on the day. Entrance fee is 20p per person.

International Travel

Claire Cook has been selected to co-lead a contingent of Guides from Cambridgeshire East to an international camp to the Netherlands this summer. The camp will include visits to Amsterdam and Maastricht, diving and various other activities. International camps are great opportunities to experience different cultures and make great friends and we are hoping that guides from Bar Hill will be attending the next selection day for international travel. In order to take the guides away, Claire has been working hard getting her Guide and Senior Section Camp and Holiday licences and by co-leading this

trip she will have also completed her international licence – well done Claire! – Pippa Hall

Tents:

We have recently lost our storage space for the guide tents – do you have or know of a place to store the tents and equipment? If we do not find a place, we may have to consider selling them.

Strawberry Teas – Saturday 16 July 2005

Plans are well underway for our Strawberry Teas on Saturday 16 July from 2.30pm – 4.30pm at Bar Hill Church Octagon. Please come and support us.

Come on – Join the Fun!

Bar Hill Primary School

School Environment

Children at Bar Hill Primary are concerned about the amount of litter in their school environment.

It appears that most of the rubbish does not originate from the school. Most of the litter is blown into the school grounds on a daily basis.

The children are very keen to make the environment attractive to wildlife. They have already put up bird feeders close to classroom windows. The School Council is very keen to solve the problem of litter and would welcome any ideas from the community.

The school is also seeking enthusiastic gardeners who would enjoy establishing a gardening club with a small group of children. If you are interested, please contact the school.

Out of School Club

SPARC Building, Gladeside
Tel 07957 572653 During Club hours

We are a non-profit making Out of School Club which provides childcare, for school aged children in a safe and caring environment for working parents or for children who want to use the Club to socialise with other children, especially if they are new to the village.

We have a purpose built building adjacent to the School, from which we have direct access.

Our team of dedicated staff are regularly updating their training, which includes NVQ's in Playwork, Child Protection, First Aid and many more.

We had an excellent OFSTED inspection of which we are very proud.

A typical session provides the children with a wide range of activities from computers to home corner, modeling clay to pool table and much more, or a chance to chill out watching a video or DVD. We also have a wide range of outdoor activities, which we can do in the safe environment of the School playground. During the holidays we have themed activities, which the children are involved in choosing, as they are with many other issues, such as outings etc. as it is their Club, they even chose its name. This summer's theme was "around the world in 25 days". We also provide a snack e.g. Pasta, filled pittas and hot dogs etc, followed by a biscuit and fresh fruit. If there is a birthday we make a cake to share.

We are open after school till 6pm every day at a cost of £3/hour and from 8.15-6pm during school holidays for £19/day or half day rate of £9.50 for either 8.30-1pm or 1.30-6pm.

Our building is also available for hire, for parties, meetings etc - £5 per hour and £10 for the kitchen.

For further information, to arrange a visit, or to hire the building please call Patsie on 07752 039562.

Our experienced, qualified Early Years staff team Sonya, Clare, Julie, Karen and Sarah supervise our sessions. We also welcome Karen Curry to our team as pupil support.

We offer your child

Happy Hours The recycled youth club

We have heard that Bar Hill may shortly lose its Post Office, which will be a tremendous blow to many of our members. The newsagents, in which the Post Office is situated, has already announced its intention to close at the end of July. Rumour has it, that the present shop will be divided into two shops, with no space for a Post Office. Many of the older, and infirm, members of the village are quite worried over the effect it will have on their lives. It is hoped that Tesco, who own the freeholds of all such premises on the village, will arrange some other suitable site for a Post Office, and allay the fears of the villagers as soon as possible. I might also add that, it appears that many of us, who for many years have had our daily newspapers delivered, will now lose this service. One wonders what is becoming of the community spirit in this village.

Holidays.

Our second holiday this year took place towards the end of April, when 34 of us spent six days at Sandown, Isle of Wight, staying at the Royal Pier Hotel. On our second day we visited the I of W Pearl Centre, then on to Yarmouth for lunch, followed by a visit to Chessell Pottery, where Fred Styles designed and painted

his own mug. On our third day we paid a visit to Newport (Market Day), spending the afternoon in Cowes. Our fourth day found us visiting the beautiful village of Godshill, followed in the afternoon by seeing the Waltzing Waters Show, a fascinating show of water, lights and music. Our fifth day was a free day in and around Sandown. Everyone enjoyed the hotel, the food and the evenings entertainment. Travelling back home on our sixth day we enjoyed a three hour visit to Windsor for lunch and further shopping. A great holiday.

The next planned holiday is for four days to Bournemouth starting on 2nd September. There are still a few seats left.

Outings.

Our May outing took place on Wednesday 4th, when we visited Romford Market, another spending, but enjoyable day out. Our next outing is planned for Wednesday 1st June, when we will be travelling to Aylsham where we will be catching a steam train for a ride to Wroxham. Following lunch, we will have a boat trip on the Broads, before returning home.

Raffle.

Our next raffle will be held on Monday 16th. May.

Talk.

The proceeds of our raffle held in late January were donated to the Wood Green Animal Centre. As a result of this, on Monday 9th. May, Mrs. Catriona McKay, gave us a very interesting talk about the Wood Green Animal Centre. This very good charity for animals, has no funding from government or lottery funds, but relies entirely upon voluntary donations. The centre will take care of, or re-home, any domestic or field animal. They have two other centres besides Godmanchester, one in Hertfordshire (Heydon) and one in London (Wood Green). In all, they have some 200 full time staff, together with many part-time and voluntary staff. The cost of running this charity is around £12,000 per day.

Sickness.

I am sorry to have to report that Neville Clark is in hospital, following some heart problems. Ann Barnes is having some convalescence treatment following her hip operation, and Joan Platt is still in the John Radcliffe Hospital at Oxford. Our old friend, Jimmy James, is still not very well, but is keeping cheerful. We send them our best wishes, and hope that they may have a speedy return to good health.

Dennis Holt, 780948.

Bar Hill Parent and Toddler Group (formerly Tots and Teds)

Bar Hill Parent and Toddler Group is a welcoming and friendly group set up to provide play and socialising for children 0-4 years. A committee of local volunteer parents runs the group. We meet in the Octagon every Wednesday and Friday morning 9.45 - 11.15.

Each session is run by a Session leader and provides a range of activities, which includes crafts; puzzles; imaginary play and a selection of outdoor toys (weather permitting). We provide refreshments and an opportunity to meet new people. We ask a small fee of £1.80 per child per session and £1.00 per sibling (this helps us cover the cost of the hall/refreshments/toys).

If you would like any further information please call in to one of sessions, Emma runs Wednesdays and Jo runs Fridays, they will be happy to speak to you, or call Lucy Tel: 01954 781341.

Rosie in Stitches

Thank you to all the neighbours that have left knitting and wool on our doorsteps, it is most appreciated and we need even more. Jo Hall at 11 Almond Grove and Avril Williams at 111 Hillcrest will always accept whatever you donate. We are in particular need of ribbon, stuffing, white wool and crochet yarn.

Our elderly knitters have difficulty getting themselves and their knitting to our volunteers lunch, would any drivers like to chauffeur our ladies and have an enjoyable day and lunch for the privilege?

If you have an appointment at the Rosie Hospital please come and have a refreshing cup of tea or coffee while you are waiting. A drink with biscuits is under £1. If you are able to help serve tea and coffee from the Tea Bar please let us know.

We have a limited selection of our hand knitted toys and clothes (up to age 4) at the tea bar in the Rosie Outpatients, the Breast Screening Clinic and Clinic 5 every day of the week.

We have a "Rosie in Stitches" stall in Addenbrooke's Food Court from 10am to 2pm most Tuesdays and in Addenbrooke's Outpatients foyer on 20th June and 20th July. There will be a display of toys at the Daily Bread Co-operative from 23rd August until 6th September.

There is also a limited selection at the Hacker's Fruit Farm, Dry Drayton and Chaplin's Fruit Farm, Fulbourn.

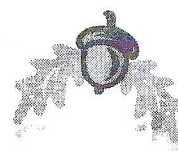

If you are looking for a traditional Father's Day gift then visit one of the above stalls or our new website at www.rosieinstitches.org.uk for a new hand-knitted garment or toy at very reasonable prices.

The Friends of the Rosie raise money to buy the medical equipment that Addenbrooke's and the NHS does not provide.

Many thanks for your support in any way possible.

Little Acorns Pre-School

Little Acorns is a privately owned, non-profit making, pre-school. We are situated in the meetings room (next door to the main church building). Most of the staff are qualified Nursery Nurses./teachers.

We are open every day, morning and afternoon, during school term time. (9.15-11.45 am and 12.30-3pm) There is a lunch club every day from 12 noon.

Monday, Wednesday and Friday afternoons are especially designed for children in the year before they start school and have a slightly different structure to our other sessions, including cookery, PE, woodwork and music sessions.

Children are welcome to attend from age two and a half. Parents may choose to help at sessions during our "bring your Mum or Dad to Acorns" weeks, which are very popular.

From September 2004, we re-opened mini acorns, for children from age 2- 2 1/2. This is a small session with no more than 8 children, two afternoons per week, to provide a calm, secure environment which helps children to get ready for big pre-school. Please telephone if you would like more information.

We have recently received an excellent OFSTED report (the full version is available on request (or can be accessed via the OFSTED web site.) We were awarded "an aspect of outstanding practice in special needs" and overall the judgment, which we received, was very good.

We offer a "places for all policy", whereby we subsidise or give free places to families in need. Annually we ensure that at least three or four children are able to access good quality preschool education through this scheme. Please enquire about this.

For more information / a prospectus / a registration form / a copy of our OFSTED report or to arrange a visit, please telephone Sally on 201074.

Football Project

We currently have some midweek evening slots available for hire by individuals, clubs and organisations. The pitch is suitable for football and many other sporting activities such as mini tennis, hockey, bowls, volley ball or multi-sports - it's a great venue for birthday parties. If you wish to find out more about hiring the facility then contact our Bookings Secretary, Lisa Francis on 201160. The 5-a-side football league is continuing, we are currently looking for an additional team to join in the fun.

Recently we have experienced abuse of the facility including unauthorised use of the pitch, damage to the fencing and graffiti. If you witness any of this type of behaviour we would appreciate that you report it to either a member of the committee or the Police, as it is costing us money and damaging a valued village facility.

Straight after school on Tuesdays the pitch is open by Karen Curry for a free kick around for children in years 3 to 6 (two 20 minute sessions). The pitch is opened on Thursdays by Michelle Davis for children in reception to year 2.

We would like to open the pitch on a Friday or Saturday night for casual youth football. To deliver this we need volunteers to go on a rota. Please contact Paul on 781527 if you can help.

2005 FETE

5-A-SIDE TOURNAMENT

Bar Hill colts are looking for teams to compete in this year's Fete 5-A-Side Tournament. There will be the usual trophies for the winning teams. The event will be held on Saturday 25th June from 11:00am onwards, on the All Weather Surface at the school end of the village green. This years competition is for the Under 15's to 17's age groups.

To enter the tournament, costs is £6.00 per team (that is only £1.00 per person). Although teams must include at least two players registered for Bar Hill Colts, the competitions are open to other players from other teams. Entry forms, (together with a set of competition rules) are available from Barry Dean (01954 205670).

"KEEPLY-UPPY" COMPETITION

This year Bar Hill Colts are also running a "Keepy Uppy" competition at the village fete. There will be several age groups ranging from Under 10's up to the Adult age group, plus special girls and ladies groups. So if any of you brave people fancy your chances of showing off, bring along your 50p's, to have a go. The prizes will simply be half the takings for the age group concerned. Come and join in the fun (or watch me have a go (I am useless at "Keepy Uppy")

Barry Dean

The Bar Hill Massive Youth Action Trust

In early 2004 a public meeting was held in the Church to consider issues regarding anti-social behaviour. As a result of that meeting a group was established to look positively at issues of youth and our community at large. One direct benefit of this initiative has been the provision of Llian Cole, our PCSO.

Since early 2005 a scheme has been born whereby a number of community

stakeholders are investigating the possibility of a full time youth worker being employed as part of a partnership scheme. A trust to make this possible is being established. In September it is hoped that this will be followed by the establishment of a Management Committee and Youth Forum.

We hope that this exciting and innovative scheme will provide benefits

and produce results. Further details will be forthcoming over the next few months. At this stage, if you would like further details please contact Claire Thorby in the Church Office on 206120 or Leigh Baffa, the Parish Council Clerk on 780456.

Bar Hill Cricket Club are officially living in fantasy land! Players' performances are now counting towards a special fantasy cricket fundraising game, with some sparkling shows getting the contest – and the opening weeks of the season – off to an exciting start.

The first players to show their form were the father and son Drivers, Barry and Craig in the warm-up game against Girton. First Barry finished off the Girton innings with a hat-trick, ending with figures of 4 for 3 as the visitors were dismissed for 88. Then Craig put on 24 for the last wicket to see Bar Hill to victory after they looked on the verge of defeat at 65 for 9.

The other pre-season game with Little Shelford also resulted in a win as Bar Hill totalled 163 and then dismissed Shelford for 82. Martin Cullum top-scored with 29, while the leading performer with the ball was Scott Stanford with 4 for 20. Chairman Steve Plumb also ensured he couldn't walk for two days by coming out of retirement to hit 17 runs and pick up the final two wickets in successive balls.

The winning run was continued into the league season when Bar Hill travelled to Witcham and dismissed the home side for 125. Mark Thompson, who last season couldn't catch a ball if it was coated in superglue, held a catch for the third successive game. Martin Cullum and Phil Walmsley each picked up three wickets, before Cullum's 29 and Mark Thompson's unbeaten 36 guided Bar Hill home to a four-wicket win with eight balls to spare.

The first home league game saw a thrilling finish as David Rush bludgeoned Bar Hill to an unlikely five-wicket victory over Abbots Ripton. Rush smashed 46 not out in only 19 balls as Bar Hill recovered from 28 for 4 at the halfway stage to reach their target of 156 with two overs in hand. It was a good day for

people called Dave as Messrs Sandham and Fletcher also contributed vital runs. Martin Cullum had earlier picked up four wickets in the Abbots Ripton innings.

Sadly, the good league form could not be extended into the Junior Cup tie with Chatteris.

Good bowling by the visitors restricted Bar Hill to 113 for 7, with Stuart Overall and David Fletcher doing the bulk of the scoring. But Chatteris' opening pair saw their team home without any loss, despite some good bowling by Tom Levitt.

The only other scheduled game to date, the friendly against Jesters, was abandoned after 20 overs due to rain.

In the junior section, both under-15s and under-12s have been in action.

The older age group lost their opening game to Hardwick on run rate as darkness closed in, although in truth they were always behind the asking rate as they chased the visitors' total of 128. Craig Driver and Tom Levitt each took two wickets.

The under-12s made a great start in their first ever game, as they restricted Camden to 53 for 9. James Orvis led the way with three wickets, while Dom Gedny and Sam Clare took two each. Sadly, Bar Hill were dismissed for 21, but there were many reasons to be positive as the team will get better and better as they gain more experience.

It has been heartening to see the turnout at training on Tuesday nights. With more than 40 junior members, the future of the club looks bright.

Anyone is welcome to come along to the village green on Tuesdays and join in. You can find more details about the club on our website at www.barhillcricket.org.uk or call Paul Stimpson on the number below.

June will be a busy month. Look out for our barbecue at the village fete on June 25, and come along to watch the 20/20 tournament the following day. We also play a much-anticipated game against the church on Sunday June 19, which will sadly see us bid farewell to Gary Renison. We hope he will take good memories of his appearances on the village green, which may even include scoring some runs this year!

Paul Stimpson, 782475

New neighbours in your street?

"FOR SALE" and "ON THE MOVE" property signs are very much in evidence in the village.

When a new family moves into your street our WELCOME TEAM would like to welcome them. Linda and Brian Howard will be happy to deliver the "Welcome Booklet" when contacted on 781945.

The Rev. Gary Renison and his family will be leaving Bar Hill this summer. If any one would like to make a financial contribution to a leaving gift please contact Anne Tanner on Tel: 01954 200957 or put a contribution in an envelope marked "The Renisons" through the letterbox at 58 Oatlands Avenue, Bar Hill. Cheques should be made payable to Bar Hill Church.

Gary, Karen, Jessica and Simon have been with us for the last ten years, and Gary's ministry has touched many people in the village. I am sure all will want to wish them well as they move to Childwall in Liverpool.

Gary's last service with us will be on Sunday 10th July at 10am. There will be a shared lunch afterwards. All are invited.

Residents' Association Village Sign

The Residents' Association, on behalf of the village, would like to offer a big "thank you" to Domino Printing Sciences for once again sponsoring the village sign. They have given a lot of money towards the sign: both when it was first erected and now that it is being refurbished. The wood has been cleaned and treated. The metalwork has been sub-contracted by our supplier and they will fit it when it's ready.

Fete 25th June

The Residents' Association committee fully support the Fete sub-committee in their plans for this year's fete. It's a more ambitious project than even recent years and we hope you all find something to entertain you.

We would also like to advise residents living in the vicinity of the village green that the events at the fete will include live and recorded music which will continue into the evening. We plan to be finished around 9pm.

Meetings

Interested residents are always welcome at our meeting. These are normally held in the Parish Council Building at 8pm on the second Tuesday of each month. The next meeting will be on 14th June.

Ladies International Group

We are a small group who welcome newcomers of all nationalities: British & overseas. Our specialities are informal outings, usually with children in tow, and hopefully, helping people feel at home. Special past events have included strawberry picking, a French meal and Chinese vegetarian meal. Just drop in to our shared meals, once a month.

Please ring Jo or Swee Kim to find out about our next event.

Think of the fun you had when you were at Brownies or Guides – please give something back to the girls of today. It is only with extra help that we will be able to continue to provide exciting activities and opportunities for them. You will be amazed at what you can get out of helping with a unit – new friendships, personal guiding opportunities, and the chance to learn new skills. Don't automatically think that it's not for you.

Even if you cannot commit yourself to each week, we would still like to hear from you.

We went on our summer term District outing to Shepreth Wildlife Park in May and we will be off to a County Event at Duxford (Duxford CED) in July which will include opportunities for the older girls to drive a tank! Other activities will include Limbo Dancing, friendship bracelets, Ready Steady Cook, Tent peg races and circus skills. The event is to celebrate 95 years of Guiding.

Bar Hill Guides

Bar Hill Guides have been on an overnight camp, giving those who have never camped before a taster. We had a great time even though it was raining off and on for most of the weekend. The activities included a wide game where they were in teams and had to make a uniform, a flag and a ballista from canes, string and elastic bands; we then had a competition to see which ballista could catapult a tennis ball the furthest. This was great fun. In a few weeks time the guides will be trying their hands at Kayaking. Guides have increased in numbers slightly and in September Claire Lloyd and Pippa Hall will jointly be running the unit when Wendy Arrowsmith leaves the unit to concentrate on her role as Division Commissioner for Great Ouse. If you were a brownie who has left in the last year or so, we will be contacting you!! Guides is about what you want to do – we will help and guide you but if you have ideas we will try to help you make them a reality!

Jumble Sale – Saturday 11 June

1st Bar Hill Rainbows will be having a Jumble Sale on Saturday 11 June in the Octagon from 2-4pm. Donations of jumble are greatly appreciated – this can be dropped off from 9.30am on the day. Entrance fee is 20p per person.

International Travel

Claire Cook has been selected to co-lead a contingent of Guides from Cambridgeshire East to an international camp to the Netherlands this summer. The camp will include visits to Amsterdam and Maastricht, diving and various other activities. International camps are great opportunities to experience different cultures and make great friends and we are hoping that guides from Bar Hill will be attending the next selection day for international travel. In order to take the guides away, Claire has been working hard getting her Guide and Senior Section Camp and Holiday licences and by co-leading this

trip she will have also completed her international licence – well done Claire! – Pippa Hall

Tents:

We have recently lost our storage space for the guide tents – do you have or know of a place to store the tents and equipment? If we do not find a place, we may have to consider selling them.

Strawberry Teas – Saturday 16 July 2005

Plans are well underway for our Strawberry Teas on Saturday 16 July from 2.30pm – 4.30pm at Bar Hill Church Octagon. Please come and support us.

Come on – Join the Fun!

Bar Hill Primary School

School Environment

Children at Bar Hill Primary are concerned about the amount of litter in their school environment.

It appears that most of the rubbish does not originate from the school. Most of the litter is blown into the school grounds on a daily basis.

The children are very keen to make the environment attractive to wildlife. They have already put up bird feeders close to classroom windows. The School Council is very keen to solve the problem of litter and would welcome any ideas from the community.

The school is also seeking enthusiastic gardeners who would enjoy establishing a gardening club with a small group of children. If you are interested, please contact the school.
